SCENE 1

A fairy and easter bunny are on a playdate in their realm. They become bored with their game or play.

Fairy	I am bored.
Bunny	I am bored too. I do not want more carrots.
Fairy	I do not want more flowers. What shall we do?
Bunny	Let's go travelling in my dad's magic travel machine!
Fairy	Is that ok with your dad if we go alone?
Bunny	You are right, we are too small to go alone. I know, let's use our imagination and pretend!
Fairy	Great idea. Come on, let's get in!
Bunny	Where do you want to go?
Fairy	Let's fly over New Zealand! Dad says it is one of his favourite places to visit at easter time.
Bunny	Hold on tight!
Both	Woo hoo.
Fairy	This is amazing. Look, I can see the Alps.
Bunny	They are covered in snow!
Fairy	I can see people skiing.
Bunny	Look now, I can see a beach with a seal lying in the sun.
Fairy	Yes, he is big! Look, I can see a blue penguin on the cliff.
Bunny	Let's go to a city. Hold on tight!
Fairy	Where are we now? I can see a big tower. It is high in the sky!
Bunny	We are in Auckland, that is the sky tower! It is so tall.
Fairy	Careful we don't want to crash into the tower!
Both	Ah
Bunny	That was close! Look, over there, what is that?
Fairy	That is a marae. A Maori meeting house.

Bunny	It has beautiful wood carvings.
Fairy	Yes, and colours. Where to now?
Fairy	Let's go to a farm! Hold on tight!
Bunny	This must be Canterbury. It is very flat.
Fairy	I can see lots and lots of cows.
Bunny	I like cows, I like milk and cheese!
Fairy	I can see lambs, they are so cute.
Bunny	I can see the farmer on his tractor. He is eating a pie.
Fairy	I am getting hungry. Let's go home for lunch.
Bunny	Yes, I am hungry too. Let's go home. Hold on tight!
Both	Goodbye New Zealand, see you again at easter!
